SILHOUET

Beauty just got even more beautiful

First we introduced Silhouet - the beautiful new Damixa series designed by award winning Danish design duo Halskov & Dalsgaard. Silhouet is slim, Scandinavian to its core and, quite simply, stunning.

Now we take the signature design of Silhouet even further with the introduction of the entire Silhouet range in three new, beautiful colour variations:

Matt black - Steel (PVD) - Polished Brass (PVD)

Matt black is beautifully minimalistic with its downplayed, dark presence in perfect contrast with the modern look of many kitchens and bathrooms. The matt black surface won't fade over the years and is resistant to dirt and greasy fingerprints.

In steel (PVD), Silhouet is the discreet and elegant alternative to chrome that will fit in almost any kitchen and bathroom environment. With its special PVD coating, Silhouet Steel offers a harder, extremely robust surface that easily withstands scratches, corrosion and discolouring.

Polished Brass (PVD) is the stylish Silhouet choice for bathrooms and kitchens designed with a nod to nostalgia. Silhouet in brass also features the extra tough and highly durable PVD coating.

Meet the designers: Halskov & Dalsgaard

Award winning Danish industrial design firm Halskov and Dalsgaard, established in 1990 by Christina Halskov and Hanne Dalsgaard, helped Damixa bring Silhouet to life. The duo's work is deeply rooted in the Danish/Scandinavian design tradition and integrates aesthetic and functional design. Halskov & Dalsgaard has designed products for, among others, Stelton, Holmegaard, IKEA, Coloplast and Sticks'n'Sushi.

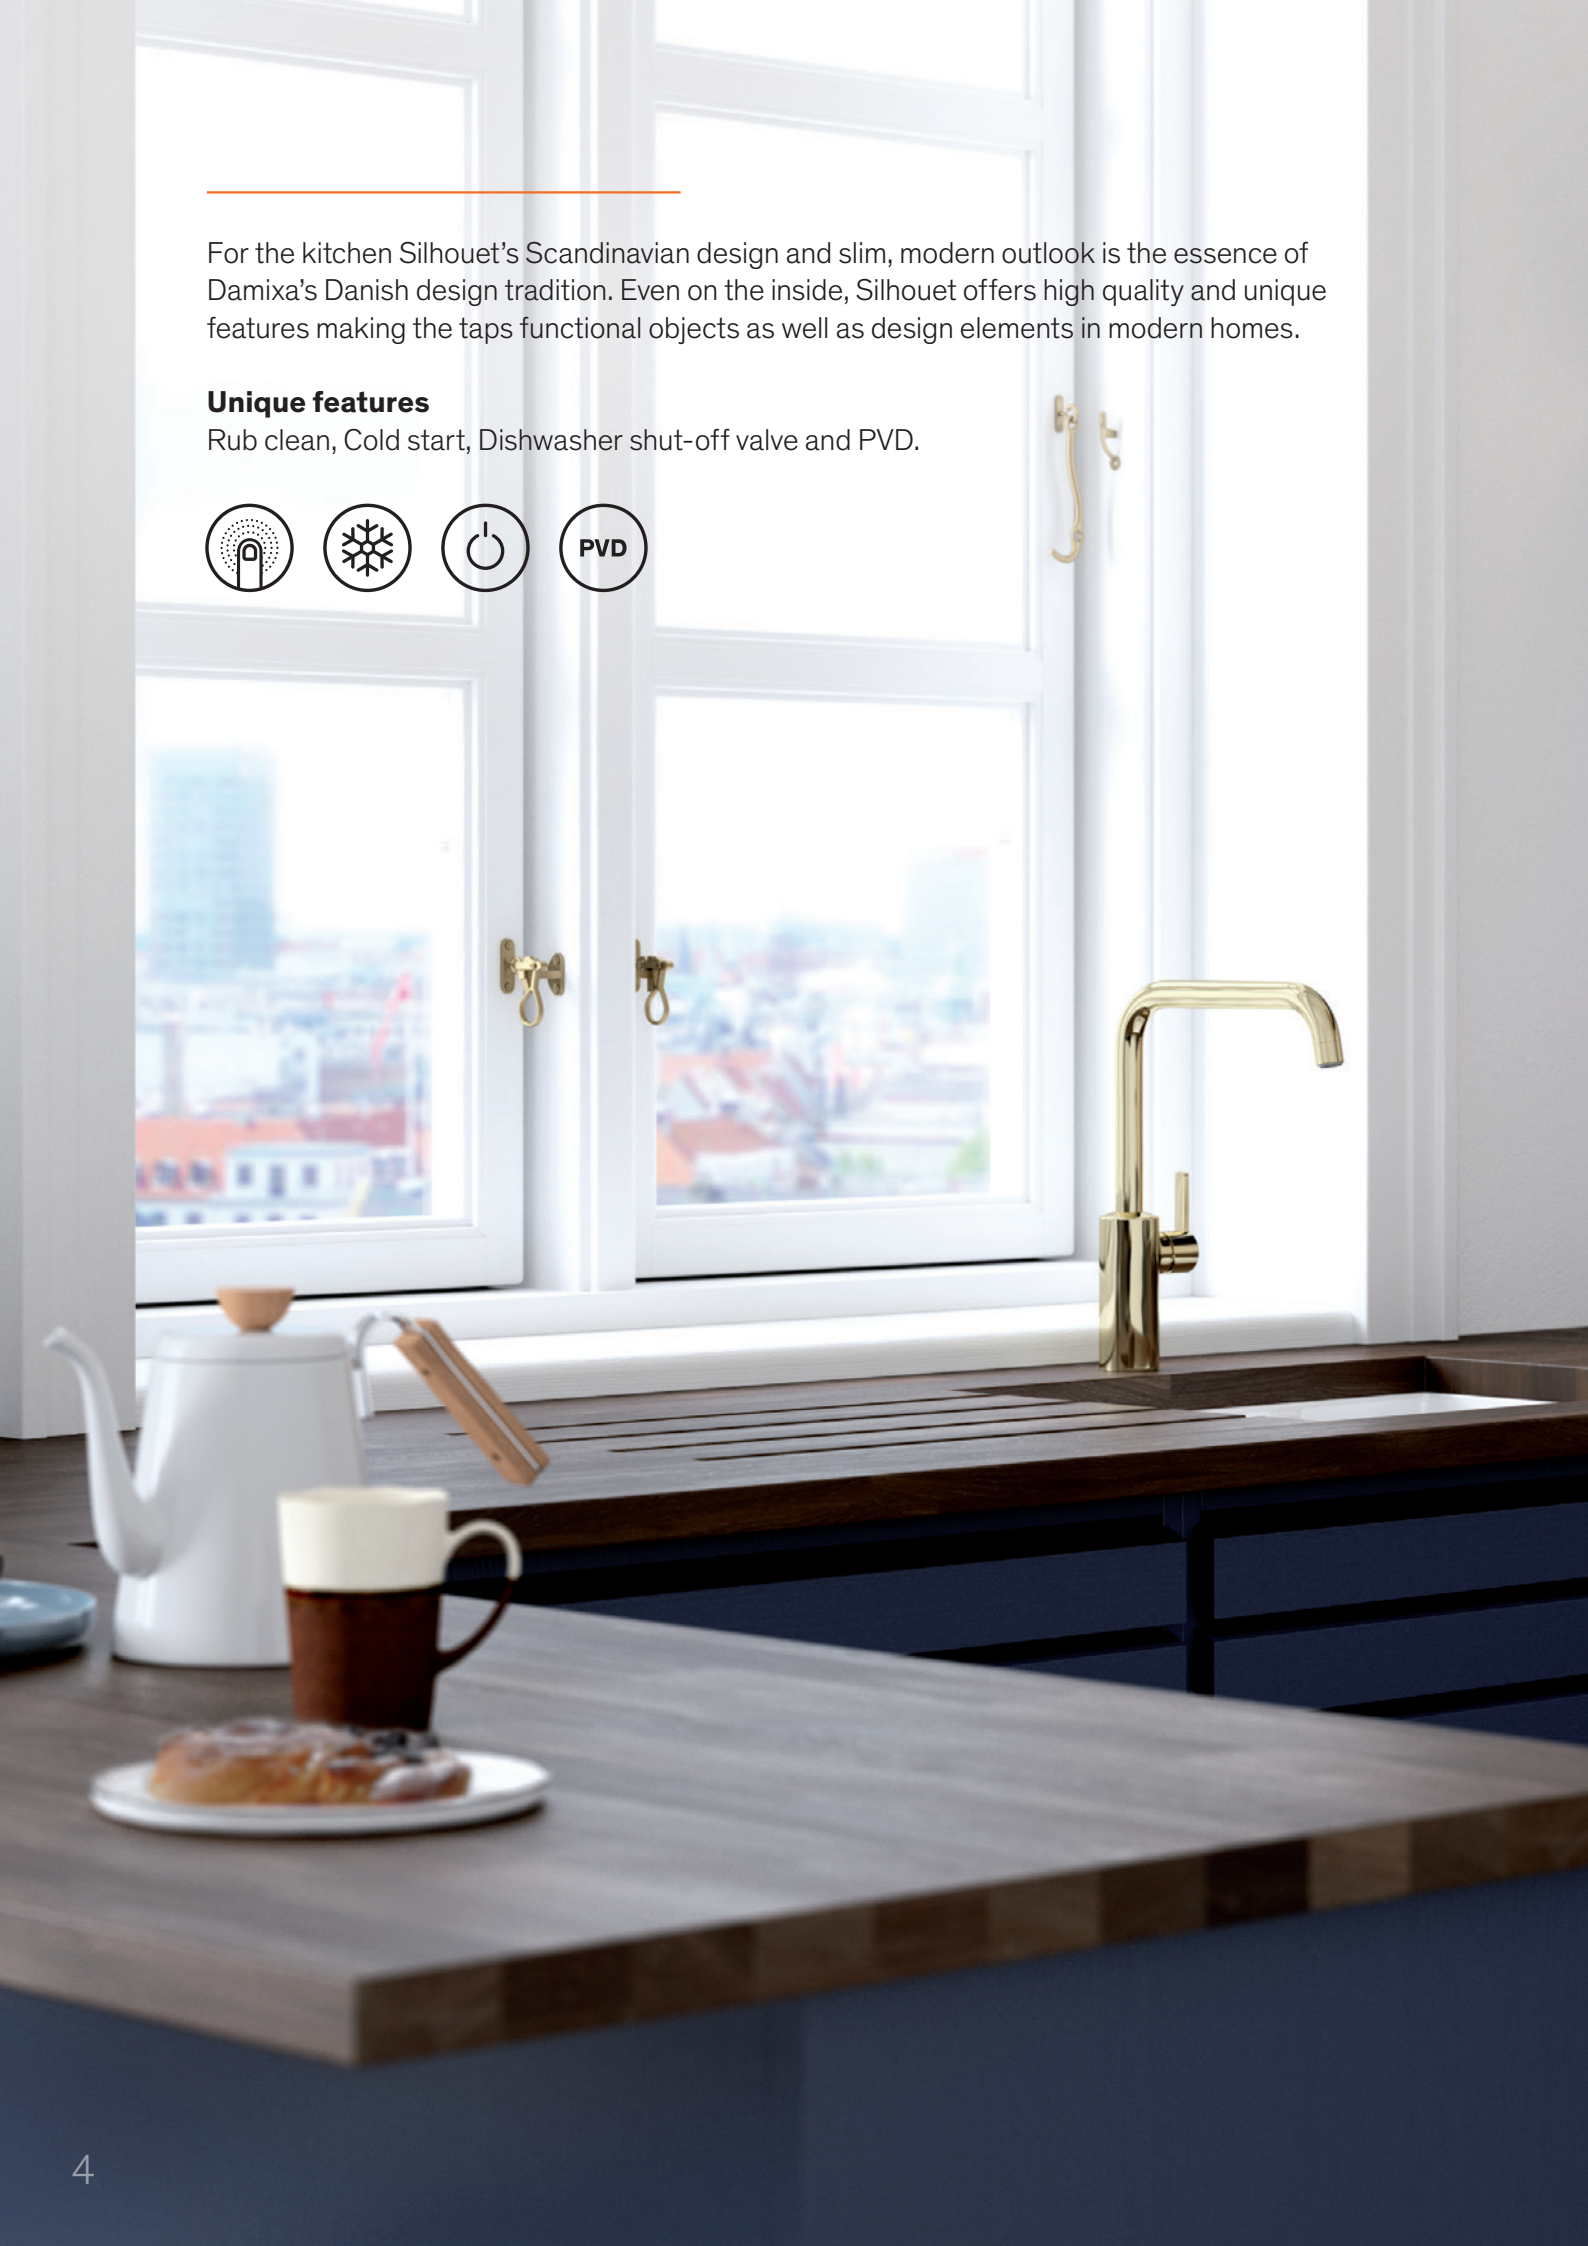

The goal with Silhouet for Damixa was to create a simple, modern and appealing series of taps and mixers, Christina Halskov explains:

“The tap, whether for the kitchen or the bathroom sink, is a functional object as well as a design element in modern homes. We wanted to create a series of genuine, no-nonsense taps that are a pleasure to use in everyday life and will last for a very long time, both in terms of design and product quality.”

For the kitchen Silhouet's Scandinavian design and slim, modern outlook is the essence of Damixa's Danish design tradition. Even on the inside, Silhouet offers high quality and unique features making the taps functional objects as well as design elements in modern homes.

Unique features

Rub clean, Cold start, Dishwasher shut-off valve and PVD.

KITCHEN MIXERS

Kitchen Mixer

Product No.: 74086.00

Finish: Chrome

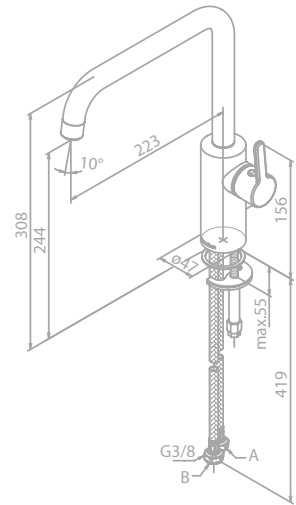

Kitchen Mixer with Dishwasher shut off valve

Product No.: 74081.00

Finish: Chrome

Standard Features:

- Ceramic cartridge
- 8 l/min aerator
- Swivel spout
- 120° swivel limitation

Kitchen Mixer

Product No.: 74086.61

Finish: Matt Black

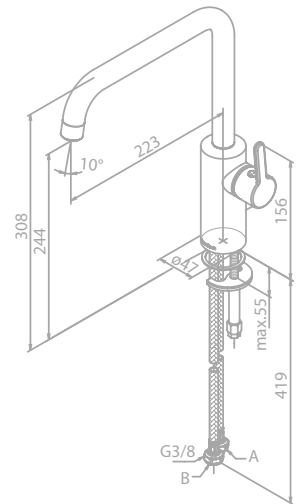

Kitchen Mixer with Dishwasher shut off valve

Product No.: 74081.61

Finish: Matt Black

Standard Features:

- Ceramic cartridge
- 8 l/min aerator
- Swivel spout
- 120° swivel limitation

Kitchen Mixer

Product No.: 74086.46

Finish: Steel (PVD)

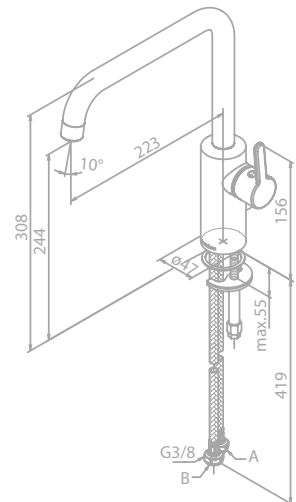

Kitchen Mixer with Dishwasher shut off valve

Product No.: 74081.46

Finish: Steel (PVD)

Standard Features:

- Ceramic cartridge
- 8 l/min aerator
- Swivel spout
- 120° swivel limitation

KITCHEN MIXERS

Kitchen Mixer

Product No.: 74086.77

Finish: Polished Brass (PVD)

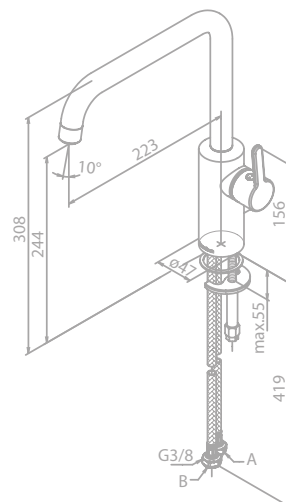

Kitchen Mixer with Dishwasher shut off valve

Product No.: 74081.77

Finish: Polished Brass (PVD)

Standard Features:

- Ceramic cartridge
- 8 l/min aerator
- Swivel spout
- 120° swivel limitation

For the bathroom sink, Silhouet is available in three different heights to ensure you can also use it with a tall, tabletop mounted vessel sink.

The stylish Silhouet shower system features a showerhead that appears to hover for an even more sophisticated look.

Unique features

Anti scalding, Eco save-, Rub clean, Cold start and PVD finish.

Basin Mixer - small

Product No.: 74821.00

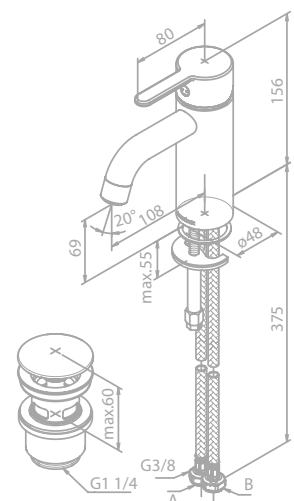

Finish: Chrome

Standard Features:

- Ceramic cartridge
- 6 l/min aerator
- Pop up waste with click-function

Available without pop up waste

Product no.: 74021.00

BASIN MIXERS

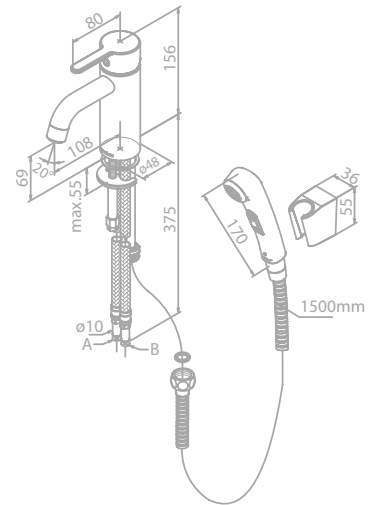

Basin Mixer - small with sidespray

Product No.: 74030.00

Finish: Chrome

Standard Features:

Ceramic cartridge
6 l/min aerator

Basin Mixer - medium

Product No.: 74921.00

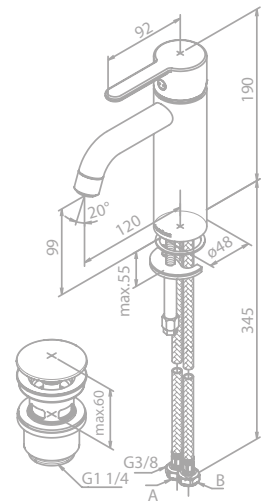

Finish: Chrome

Standard Features:

Ceramic cartridge
6 l/min aerator
Pop up waste with click-function

Available without pop up waste

Product no.: 74930.00

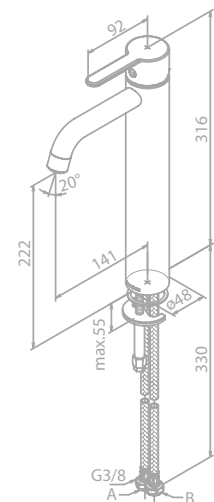

Basin Mixer - large

Product No.: 74013.00

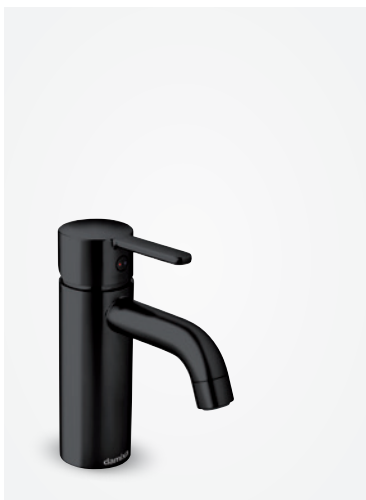

Finish: Chrome

Standard Features:

Ceramic cartridge
6 l/min aerator

BASIN MIXERS

Basin Mixer - small

Product no.: 74021.61

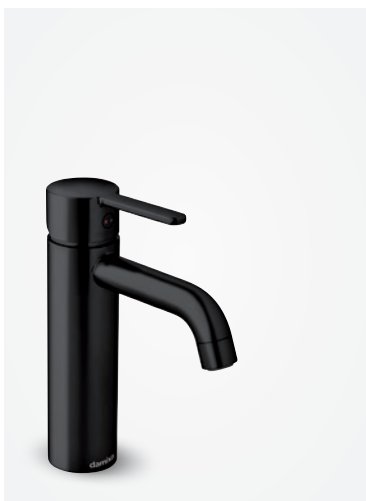

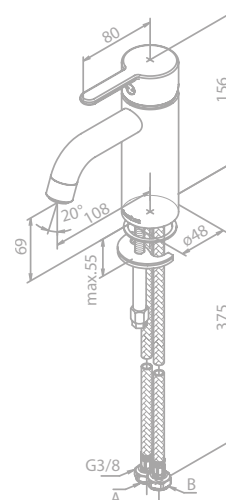

Finish: Matt Black

Standard Features:

Ceramic cartridge

6 l/min aerator

Pop up waste with click-function

Basin Mixer - medium

Product no.: 74930.61

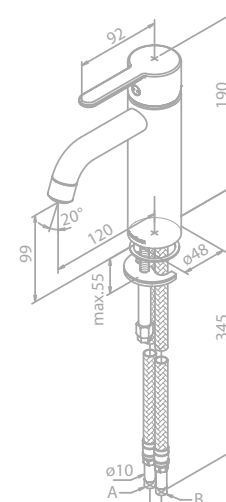

Finish: Matt Black

Standard Features:

Ceramic cartridge

6 l/min aerator

Pop up waste with click-function

Basin Mixer - large

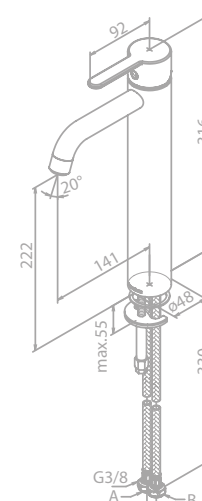

Product No.: 74013.61

Finish: Matt Black

Standard Features:

Ceramic cartridge

6 l/min aerator

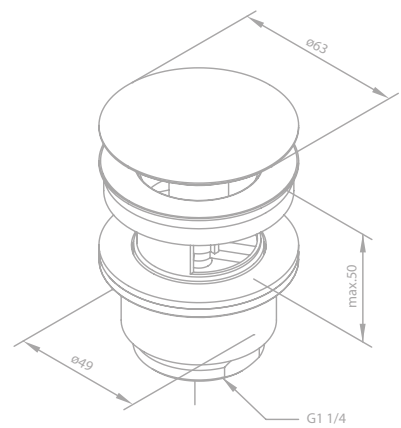

Pop Up Waste with click-function

Product No.: 23850.61

Finish: Matt Black

Standard Features:

Fits all standard washbasins

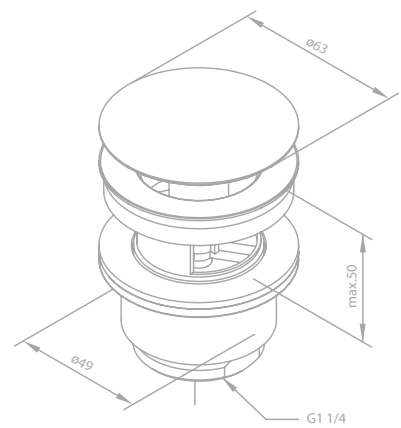

Pop Up Waste with click-function

Product No.: 23850.46

Finish: Steel (PVD)

Standard Features:

Fits all standard washbasins

BASIN MIXERS

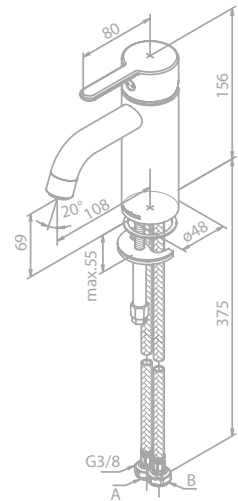

Basin Mixer - small

Product no.: 74021.46

Finish: Steel (PVD)

Standard Features:

- Ceramic cartridge
- 6 l/min aerator
- Pop up waste with click-function

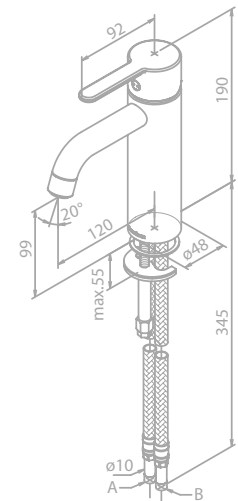

Basin Mixer - medium

Product no.: 74930.46

Finish: Steel (PVD)

Standard Features:

- Ceramic cartridge
- 6 l/min aerator
- Pop up waste with click-function

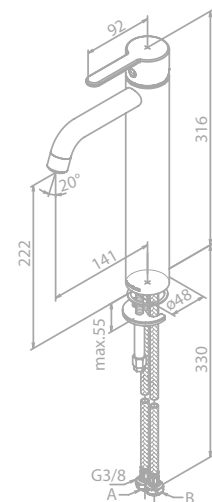

Basin Mixer - large

Product No.: 74013.46

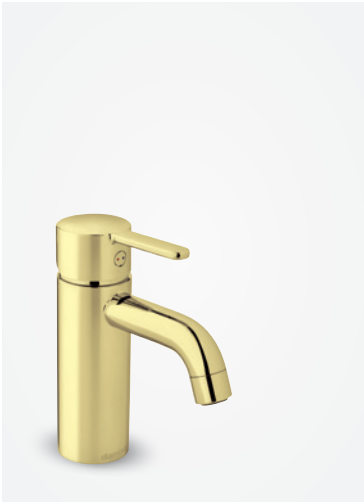

Finish: Steel (PVD)

Standard Features:

- Ceramic cartridge
- 6 l/min aerator

BASIN MIXERS

Basin Mixer - small

Product no.: 74021.77

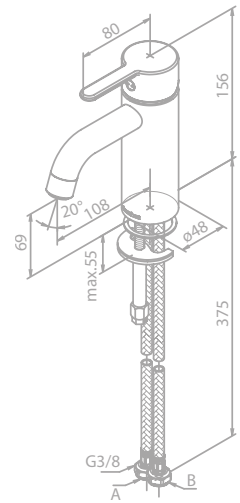

Finish: Polished Brass (PVD)

Standard Features:

Ceramic cartridge

6 l/min aerator

Pop up waste with click-function

Basin Mixer - medium

Product no.: 74930.71

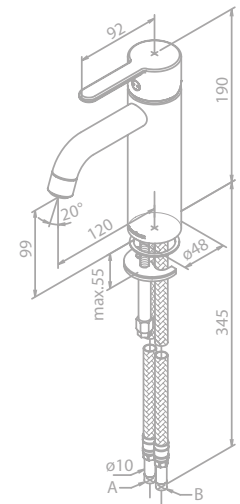

Finish: Polished Brass (PVD)

Standard Features:

Ceramic cartridge

6 l/min aerator

Pop up waste with click-function

Basin Mixer - large

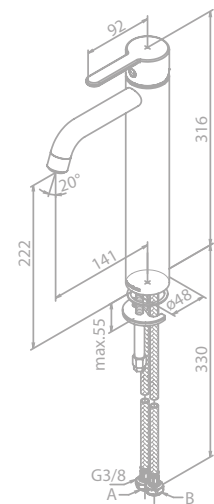

Product No.: 74013.77

Finish: Polished Brass (PVD)

Standard Features:

Ceramic cartridge

6 l/min aerator

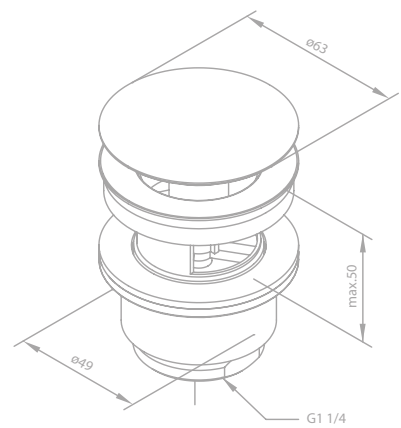

Pop Up Waste with click-function

Product No.: 23850.77

Finish: Polished Brass (PVD)

Standard Features:

Fits all standard washbasins

Head and hand shower
can be ordered separately

Head shower

Product no.: 76684.00

Hand shower

Product no.: 76686.00

Just click the button to
change spray mode

Thermostat with integrated
diverter, eco click and
anti scalding

SHOWER MIXERS

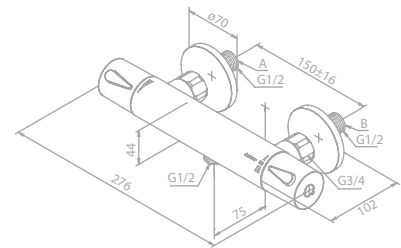

Thermixa 500 Thermostatic Shower Mixer

Product No.: 57405.00

Finish: Chrome

Standard Features:

- Ceramic cartridge
- 1/2" connection for hand shower hose
- Standard 150 mm centers
- Wall plates & eccentric unions

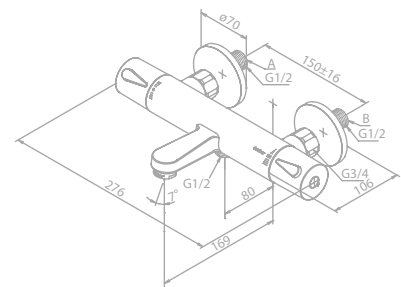

Thermixa 500 Thermostatic Bath/Shower Mixer

Product No.: 57505.00

Finish: Chrome

Standard Features:

- Ceramic cartridge
- 1/2" connection for hand shower hose
- Standard 150 mm centers
- Wall plates & eccentric unions
- Diverter in handle

SHOWER SYSTEMS

Shower System with thermostat

Product No.: 57954.00
Finish: Chrome
 1750 mm Shower hose in metal

Product No.: 57954.30
Finish: Chrome
 1750 mm Easyflex silver shower hose

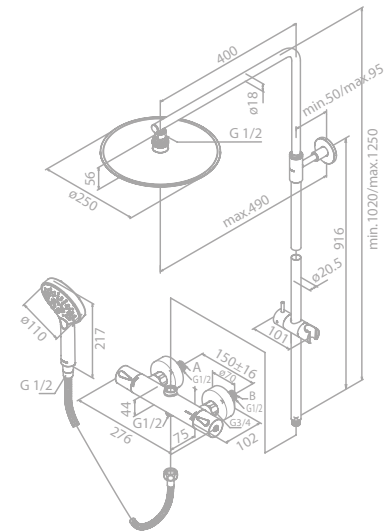

Standard Features:
 Standard 150 mm centers
 Wall plates & eccentric unions
 Integrated diverter

Note: Telescopic bar adjustable in height from 1020 mm up to 1250 mm.

Head and hand shower can be ordered separately:

Head shower
 Product no.: 76684.00

Hand shower
 Product no.: 76686.00

Shower System with thermostat

Product No.: 57954.61
Finish: Matt Black

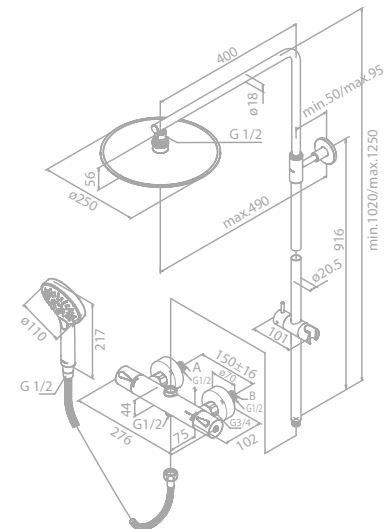

Standard Features:
 Standard 150 mm centers
 Wall plates & eccentric unions
 Integrated diverter
 1750 mm Shower hose in metal

Note: Telescopic bar adjustable in height from 1020 mm up to 1250 mm.

Head and hand shower can be ordered separately:

Head shower
 Product no.: 76663.61

Hand shower
 Product no.: 76686.61

SHOWER SYSTEMS

Shower System with thermostat

Product No.: 57954.46
Finish: Steel (PVD)

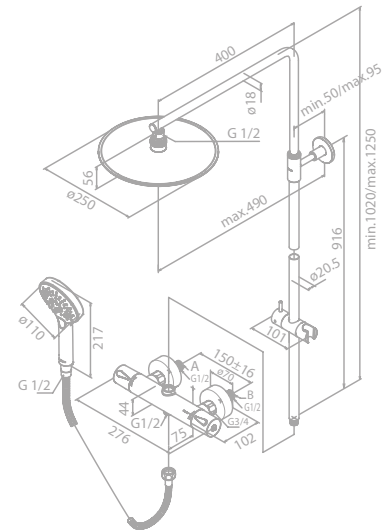

Standard Features:
 Standard 150 mm centers
 Wall plates & eccentric unions
 Integrated diverter
 1750 mm Shower hose in metal

Note: Telescopic bar adjustable in height from 1020 mm up to 1250 mm.

Head and hand shower can be ordered separately:

Head shower
 Product no.: 76663.46

Hand shower
 Product no.: 76686.46

Shower System with thermostat

Product No.: 57954.77
Finish: Polished Brass (PVD)

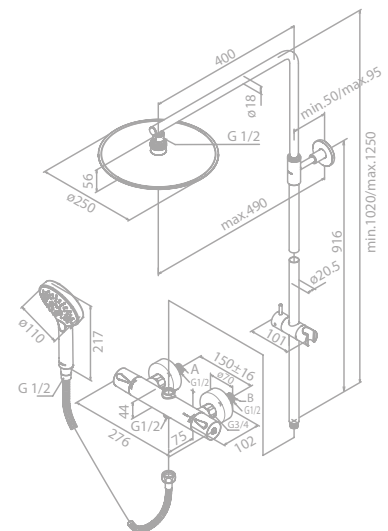

Standard Features:
 Standard 150 mm centers
 Wall plates & eccentric unions
 Integrated diverter
 1750 mm Shower hose in metal

Note: Telescopic bar adjustable in height from 1020 mm up to 1250 mm.

Head and hand shower can be ordered separately:

Head shower
 Product no.: 76663.77

Hand shower
 Product no.: 76686.77

SILHOUET'S UNIQUE FEATURES

ANTI SCALDING

Limits the movement of the tap head/lever to prevent accidental selection of "full hot" water.

RUB CLEAN

Easy removal of limescale from taps and shower heads without tools or chemicals. Simply rub a finger against the rubber surface to remove the limescale.

COLD START

Opens for cold water only when the lever is in starting position. Reduces unnecessary consumption of heated water and saves energy.

ECO SAVE

Saves water without compromising comfort. Activated and adjusted in the ceramic cartridge.

ECO CLICK

Designed to save water. You will feel a subtle resistance when opening the tap to avoid operation at full flow. Simply click past the point of resistance for more flow.

PVD

A unique, metallic surface coating that makes the tap or mixer surface dirt-repelling and more resistant against scratches. PVD coating also ensures that colour never fades - even after many years of use.
