

Stainless Design Waste Bin 284

30 l capacity
Selfclosing tip-down lid
2-year warranty

Sturdy waste bin with a capacity of 30 l with a hygienic self-closing tip-down lid, keeping bin contents out of sight. Inner bucket in stainless steel. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

Application

Suitable for all toilet rooms. The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where low-maintenance is called for, and equipment must be able to withstand rough treatment.
