

Stainless Design Paper Towel Dispenser

286

Sturdy design
2-year warranty

Sturdy paper towel dispenser with a capacity of 400 paper towels. Smart feature provides a slight shearing of towels to facilitate individual pull-out. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

Application

Suitable for all toilet rooms. The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where low-maintenance is called for, and equipment must be able to withstand rough treatment.
