

# Stainless Design Toilet Roll Holder 289

Holds 1 jumbo roll + 1 standard roll  
Hygienic and durable  
2-year warranty

Exclusive toilet roll holder with smart, vertically rotating plate with room for one jumbo and one standard-sized toilet rolls. Stainless Design is a complete product line for commercial toilets, in which quality and aesthetics are paramount. The entire stainless product line is made of strong quality materials, featuring unique design with a beautifully arched housing in brushed stainless steel.

## Application

The Stainless Design product line combines hygiene and durability with classic elegance to suit any commercial bathroom. The products are designed specifically for use in public toilets where low-maintenance is called for, and equipment must be able to withstand rough treatment.
