

TECHNICAL DATA

DAN DRYER® WATER TAP

with IR sensor, type WaterTap for table top mounting, art. no. 388, stainless steel with satin finish

DAN DRYER WaterTap features a minimalist, modern design in stainless steel with satin finish.

Comes with a 2-year warranty.

Application

DAN DRYER WaterTap with automatic sensor for touch-less activation is a hygienic solution for commercial washrooms. It is easy to operate and simple to manage by all kinds of users, including children and people with reduced hand mobility.

The DAN DRYER Tap range is an ideal build-in solution for construction projects and automatic hand wash stations.
