# CLEANING / PULIZIA / NETTOYAGE / REINIGUNG

**MAINTENANCE** - Never use for any reason cleaning solutions containing abrasive substances, chloric acids, ammonia, vinegar, bleach, domestic acids, disinfectants, or any type of abrasive pad. Warning: Incorrect cleaning may permanently ruin the surface of the products and in such case the manufacturer may not be held liable for damage.

**MANUTENZIONE** - Non usare mai per qualsiasi motivo soluzioni contenenti sostanze abrasive, acido clorico, ammoniaca, aceto, candeggina, acidi domestici, disinfettanti o qualsiasi tipo di spugna o panno abrasivo. Attenzione! Una pulizia errata può rovinare in modo permanente la superficie dei prodotti e in tal caso il Produttore non può essere ritenuto responsabile per danni.

**ENTRETIEN** - N'utilisez jamais des solutions de nettoyage contenant substances abrasives, acide chlorique, ammoniacque, vinaigre, eau de javel, acides domestiques, désinfectants ou tout type de tissu abrasif. Attention! Un nettoyage incorrect peut endommager de manière permanente la surface des produits et, dans ce cas, le Fabricant ne pourra être tenu responsable des dommages.

**WARTUNG** - Verwenden Sie niemals Reinigungslösungen, die Schleifmittel, Haushaltsäuren, Ammoniak, Essig, Bleichmittel, Haushaltsalkalien oder andere Arten von Schleifmitteln enthalten. Warnung! Durch eine falsche Reinigung kann die Oberfläche der Produkte dauerhaft beschädigt werden. In diesem Fall ist der Hersteller nicht für Schäden haftbar.
