

# REALTREE EDGE™ SUB40

## COLD WEATHER HAND PROTECTION

Mechanix Wear's SUB40 gloves are designed to keep your hands warm and dry. They're made to help you work in the field. We incorporated a waterproof membrane, 40g 3M Thinsulate™ insulation, and a no-slip Padlock™ grip to help you stay on top of your work.

### FEATURES

- 1 Easy On/Off elastic cuff design ensures gloves get put on when the temperature drops
- 2 Realtree Edge™ camouflage pattern allows you to blend in with the terrain
- 3 40g 3M Thinsulate™ efficiently traps heat, keeping hands warm
- 4 Flexible waterproof membrane throughout
- 5 Abrasion-resistant thumb saddle reinforcement for heavy lifting
- 6 Embossed trigger finger design relieves bunching to increase dexterity when it matters
- 7 Padlock™ no-slip silicon print improves your grip performance in the field
- 8 Durable synthetic leather infused with touchscreen technology to control your devices
- 9 3mm foam palm padding provides comfort and reduces pressure when in the field
- 10
