

GRAB BARS AND ACCESORIES FOR A BARRIER-FREE WASHROOM

SEATS

Folding seat with floor support

General description

- Folding seat with floor support made of stainless steel AISI 304, satin or bright finish.
- Suitable to achieve barrier-free accessibility in bathrooms and public spaces. It can be installed inside the shower.
- Highest durability and rusting resistance. Easy cleaning.
- Designed to withstand a maximum load of 120 kg, provided it is properly mounted to the wall.
- Opening system that unfolds the seat support by swinging the seat down.
- Fulfils the requirements of the EN 16139 standard ("Furniture – Strength, durability and safety – Requirements for non-domestic seating").
