General Description

- Straight towel rail for bathroom, 600 mm in length with double wall fixation and a hidden wall mounting system, made of AISI 304 stainless steel, from Mediclinics' Harmonia series.
- This towel rail has a minimalist design and is ideal for finishing off elegant and modern bathrooms, as it is one of the most essential bathroom accessories.
- Ideal for bathrooms in hotels, restaurants, hospitals and nursing homes, as well as for your own home.
- Product suitable for public use.
- Maximum functionality which allows you to keep your bathroom perfectly tidy, through the means of a very practical solution.
- Extremely durable thanks to the high-quality, anti-corrosive and highly resistant stainless steel.
- Includes stainless steel hardware for installation on brick walls.
