

# Mora Izzy Turnie

mora

ANNO 1927

Mora Izzy Turnie is a flexible kitchen mixer with a fold-down spout for windows that open inwards. It delivers what other mixers can't. With the spout folded down, it's only 9 cm high. What's more, the spout has a 360° swivel range. That's what we call harmonious and functional design.

- ESS (energy saving system)
- With foldable swivel spout 360°
- Hole diameter Ø28-35mm
