

G3/4"

A technical drawing of a vertical assembly. On the left, a dimension line with arrows at both ends indicates a height of G3/4". The dimension line is positioned to the left of the assembly. The assembly itself consists of a central white rectangular block. This block is flanked by two vertical sections with diagonal hatching. The top and bottom of the entire assembly are also indicated by horizontal lines.

G1/2"

A technical drawing of a vertical assembly. On the right, a dimension line with arrows at both ends indicates a height of G1/2". The dimension line is positioned to the right of the assembly. The assembly itself consists of a central white rectangular block. This block is flanked by two vertical sections with diagonal hatching. The top and bottom of the entire assembly are also indicated by horizontal lines.
